SOUTHWOOD HOSTS FOURTH ANNUAL “WHEELS AT WORK” EVENT FOR FAMILIES, SATURDAY, MAY 14

*Featuring a Live Helicopter Landing, and Fire Truck and
Bear Cat SWAT Team Vehicle Tours for Kids*

Also Taking Place Is the Conley School @ SouthWood International Celebration

TALLAHASSEE, FLORIDA --- (May 4, 2011) – The SouthWood community announced today that it will hold the fourth annual “Wheels at Work” event for families on Saturday, May 14 from 10:00 A.M.-12:00 P.M. This interactive event will allow families to see a dozen different specialty vehicles up close, including a fire truck, a Florida State University Seminole Hurricane Hunter vehicle, and a Bear Cat SWAT Team vehicle used by the Tallahassee Police Department.

An event highlight will be the AirMedic 2 helicopter landing at 11:00 A.M at the Conley School @ SouthWood PE Field. Participants will be able to view the inside of the helicopter. In conjunction with Wheels at Work, the Conley School @ SouthWood will be holding its International Festival from 10:00 A.M.-2:00 P.M.

“Over the past few years, ‘Wheels at Work’ has been a tremendous success thanks to SouthWood working closely with the City of Tallahassee, the police and fire departments and other local businesses,” said Bill Wier, vice president of SouthWood. “We’re grateful to be cooperating with them again this year to organize this fun event for the families of SouthWood and the Tallahassee community. We are also glad to be partnering with Conley Elementary for their year-end International Festival.”

Wheels at Work will take place in SouthWood’s Woodland Fields neighborhood, near the intersection of Four Oaks Boulevard and Orange Avenue across the street from the Conley School @ SouthWood. Attendees can learn more about obtaining a child ID from the Tallahassee Police Department. Free ice cream will be available from Schwann’s.

Conley School’s International Festival is a fundraising event with food, games, arts& crafts, bouncers and a talent show. For more information on the International Festival, call the school at 850.414.5610.

For more information on “Wheels at Work” or to see the vehicles scheduled for the event, visit www.SouthWoodFlorida.com | Search: Wheels at Work, or call 850.402.5142.

About SouthWood

SouthWood is a mixed-use community where residents can live, learn, work and play. The community is situated on 3,300 acres of graceful rolling hills lined with moss-draped oaks and over 1,000 acres of community-wide interconnected green space, including numerous lakes, parks and wetlands and a 123-acre Central Park and Lake. Miles of walking trails and bike paths wind throughout the community.

SouthWood offers a championship Fred Couples/Gene Bates-designed semiprivate golf course, a Community Center with lap and kids pools, and an Education Village providing lifelong learning opportunities. For more information, visit www.SouthWoodFlorida.com
